Miss Hallman Entertains

Last evening the Hickory Music Club held its first meeting with the president, Miss Lillie Belle Hallman at Lenoir College. It was a full and enthusiastic meeting only two of the fourteen members being absent. Charming visitors for the evening were Miss Sherrill Douglass of Bristol, Penn., guest of Mrs. W. B. Menzies and Misses Wood, Morrell, Myer and Etley of Lenoir College faculty.

Roll call was answered by current news from the Music World. Hand-ome programs were given out and he study for the winter months will be American composers. A rule was made if the members should not play the piece given them on the program they should pay a fine of twenty-five cents. The composer for the evening was Arthur Foot. Miss Hallman read a most interesting program on this eminent musician. All the music on the program for the evening was by this composer. The following program was given: O Lovely Rose—Mrs. George Bailey.

Meditation—Mrs. G. N. Hutton.
Duet, Love Has Turned His Face
Away—Mrs. J. L. Murphy and Mrs. W. Warlick.

Etude—Mrs. W. B. Menzies.
Duet—Mrs. J. L. Cley and Miss Essie Seagle.

After the program Mrs. Karl Patterson sang a cycle of songs, ten in all, describing the love of a monk for a nun and his renunciation of her. Mrs. Patterson was at her best in this lovely song.

Delicious refreshments in two courses were served and afterwards the guests were invited by Miss Morrell into the Domestic Science room and showed the work being done there. Mrs. George W. Hall will have the next meeting.

noon and night in Charlotte. Expectancy never ran so high before and it is likely that this district will send a large delegation to feed the elephants. Unusual interest centers around the gigantic spectacle "Cinderella," with which the famous showmen are this season opening their wonderful main tent program. "Cinderella" is probably the best loved of all fairy tales and to see it produced with more than 1000 persons, hundreds of dancing girls and glorious pageants, indeed gives promise of making "childhood's golden dreams come true." In the same great tent, will come the marvelous circus numbers in which 400 men and women performers, scores of trained animals and a galaxy of special features are introduced. The majority of the acts are entirely new to America, the Ringling Bros., having secured the pick of those European performers who have been obliged to seek engagements in this country because of the war. The all-new street parade will take place show day morning.

The work of grading Fourteenth street, in accordance with the resolutions making it an improvement district, started in earnest today, several teams being employed.
